The Board considered Mr. Carnes application for licensure by examination, tabled from a previous Board Meeting after requesting further documentation from Mr. Carnes, including a psychological assessment and further information relating to his voluntary surrender of his Ohio nursing license. Mr. Carnes did not appear. After considering the information submitted by Mr. Carnes and the documentation already on file with the Board, a motion was made and seconded to deny Mr. Carnes application for licensure by examination.

VALENTINO/OGLE
Motion carried 6-0-0.

B. Disciplinary Options – Lessons from other State Boards of Nursing

Mr. Gorman briefly discussed information gathered by Deputy Attorney General Christa Jewsbury regarding how other State Boards of Nursing conduct disciplinary actions. In particular, it was noted that there is no process of expungement of a disciplinary history against a nurses license in Indiana, and some other states have either implemented such a process or created a type of diversion program under which a nurse under the threat of disciplinary sanction has the opportunity to sign an agreement whereby the record will never be established if certain conditions are met.

VII. BOARD DIRECTOR REPORT

Mr. Gorman reported that the Board staff has been keeping busy with 1649 new applications for licensure by exam – RN that were received in the month of May, 2009. During that same period, 284 new licenses were issued.

Mr. Gorman reported that criminal background checks are routinely conducted as a precondition to licensure in many other states and is recommend by the National Council of State Board of Nursing as part of the Uniform Core Licensure Requirements criteria. A study of Texas-issued licenses following implementation of mandatory criminal background checks revealed that as many as 10% of previous applications did not accurately divulge past criminal conviction information. The Indiana State Nurses Association has not taken a position on mandatory criminal background checks in Indiana, but would question what the Board might do with the data if required.

VIII. PERSONAL APPEARANCES

Personal Appearances will be conducted in a separate conference center room concurrently with Board hearings scheduled for the morning. Mr. Burghduff conducted the Personal Appearance interviews and made recommendations for the full Board's consideration and official action.
